

for Sale to Cassino : San Giovanni

86 square meters | : 1 | : 1 | : 3

He sold a three-bedroom apartment on the first floor in Cassino, Largo San Domenico area consisting of room, kitchen, bedroom bathroom and ground floor pantry and washroom.

This house for sale in Cassino is located in the area between Sferracavalli, Tommaso Campanella, Europa, Abruzzi.

The real estate unit is equipped with two balconies in the opposite position to allow both the view and the panoramic on both sides, one of which connects the area day and night.

The real estate unit features large interior spaces including the generous bathroom in size.

The finishes are in line with the era of construction and are basically in good condition.

The building, over time and with the increasing construction development in particular on Via Sferracalli, results in a "more central" position and always well connected with the Formia \square Avezzano freeway.

There are various services in the district, such as supermarkets and schools.

Visit the website to view the interiors with the 360-degree CIOLFicasa videos in code 60 and to make an appointment on site.
